Evaluation Criteria

Procurement of Line Printers

TENDER ID: NBP/ITD/PW/LN/241112

The bids with all complete documents will be evaluated as under.

1. All bidders are required to submit filled, correct and complete Annexure III – Technical Requirement Document along with their TECHNICAL PROPOSAL. If the bidder fails to do so, its bid will be considered as rejected.
2. If any bidder includes propose solution financial details (i.e. price, cost etc.) in their TECHNICAL PROPOSAL, its bid will be considered as rejected.
3. For evaluation purpose, a desired response of only 'Y' or 'N' is required in the "Availability Response" column for all technical requirements (mentioned in Annexure III – Technical Requirement Document) from the bidder. If the bidder fails to do so, its bid will be considered as rejected.
4. All technical requirements with "High" Priority must be answered as 'Y'. If bidder responds 'N' against any of the "High" Priority requirement, its bid will be considered as rejected.
5. All technical requirements with "Low" Priority can be answered as 'Y' or "N". If bidder responds 'N' against any of the "Low" Priority requirement, its bid will not be considered as rejected.
6. For all technical requirements against which Bidder is responding "Y", bidder should specify the proper references of the proposal in the "Bidder Response with proposal Reference / Substantiation" column (mentioned in Annexure III – Technical Requirement Document). If the bidder fails to provide the reference, its bid will be considered as rejected.
7. An empty availability cell or an availability cell with a response other than Y or N shall be considered as 'No' and the bid will be considered as rejected.
8. The bidders are required to quote the price of all requirements with "High" priority only. Low requirements that shall be met by bidder shall be treated as complimentary, without any addition in the above mentioned quoted price.
9. NBP may ask any other additional documentary evidence or explanation against any item that must be provided by the Bidder during the period of evaluation. Bidders should respond to such requests within the time frame indicated in the correspondence (letter/fax/ e-mail). If the bidder fails to provide the required information within given timeframe, its bid will be considered as rejected.
10. Bid from the Bidder whose responses qualifies the Technical requirements as mentioned in Annexure III and as per criteria(s) mentioned above and also having lowest total evaluated price/cost will be considered as lowest evaluated Bid and accepted by NBP for contract award.
